## Back-Up Phone Protocol for STATs

---

When you submit a STAT read, we also ask that you [please call to notify us:](#)

1. Call the main **Imaging Services Teleradiology Office** phone number: **(308) 865-2231**
2. If you are unable to reach us, please **re-try** the main number before calling the IT back-up phone
3. If you are still unable to reach us within 5-10 minutes, please call the **IT back-up phone:** **(308) 238-2252**

Our back-up is our general phone number for our IT department & we have someone on-call 24/7. Our IT staff will work to get in touch with our teleradiology staff to process any STAT cases, and, if our phones are not working, they'll work to resolve any issues.
